We have a five year review kicking off in June/July at Mouat and will be finalized in march 2018. Neither the narrative nor the spreadsheets account for DEQ participation in the FYR process.

Allie, Roger and Tillman,

Attached is MDEQ's draft narrative and budgets for the Bulk MA. We will be opening a new agreement for SFY2018 and the existing agreement will be extended to allow them to expend remaining funding. They submitted two budgets. One is with the carryover and one is without.

Please review the information for your sites and if possible, could you get comments to me **no later than Tuesday April 11<sup>th</sup>**.

Sorry for the quick turnaround.

Thank you,  
Danette
